Response to Restriction Requirement

Sir:

The present response replies to the Restriction Requirement mailed June 8, 2009. That requirement required restriction to one of three inventions categorized as follows:

- I. Claims 1-7, 9-12 and 28-30, drawn to a processor having an adaptable pipeline, classified in claim 712, subclass 229.
- II. Claims 13-14, drawn to a method for programming instructions in a processor, classified in class 712, subclass 229.
